Synopsis

Wendy Darling loves to tell stories to her brothers, Michael and John. But when her father announces she must move out of the nursery, Peter Pan comes to visit the children and whisks them away to Neverland. Their journey introduces them to the Lost Boys, Mermaids, Indians and even the infamous pirate, Captain Hook! It's Peter to the rescue when Wendy is taken captive by the dreaded captain, who has his own sinister plans in mind for our hero.

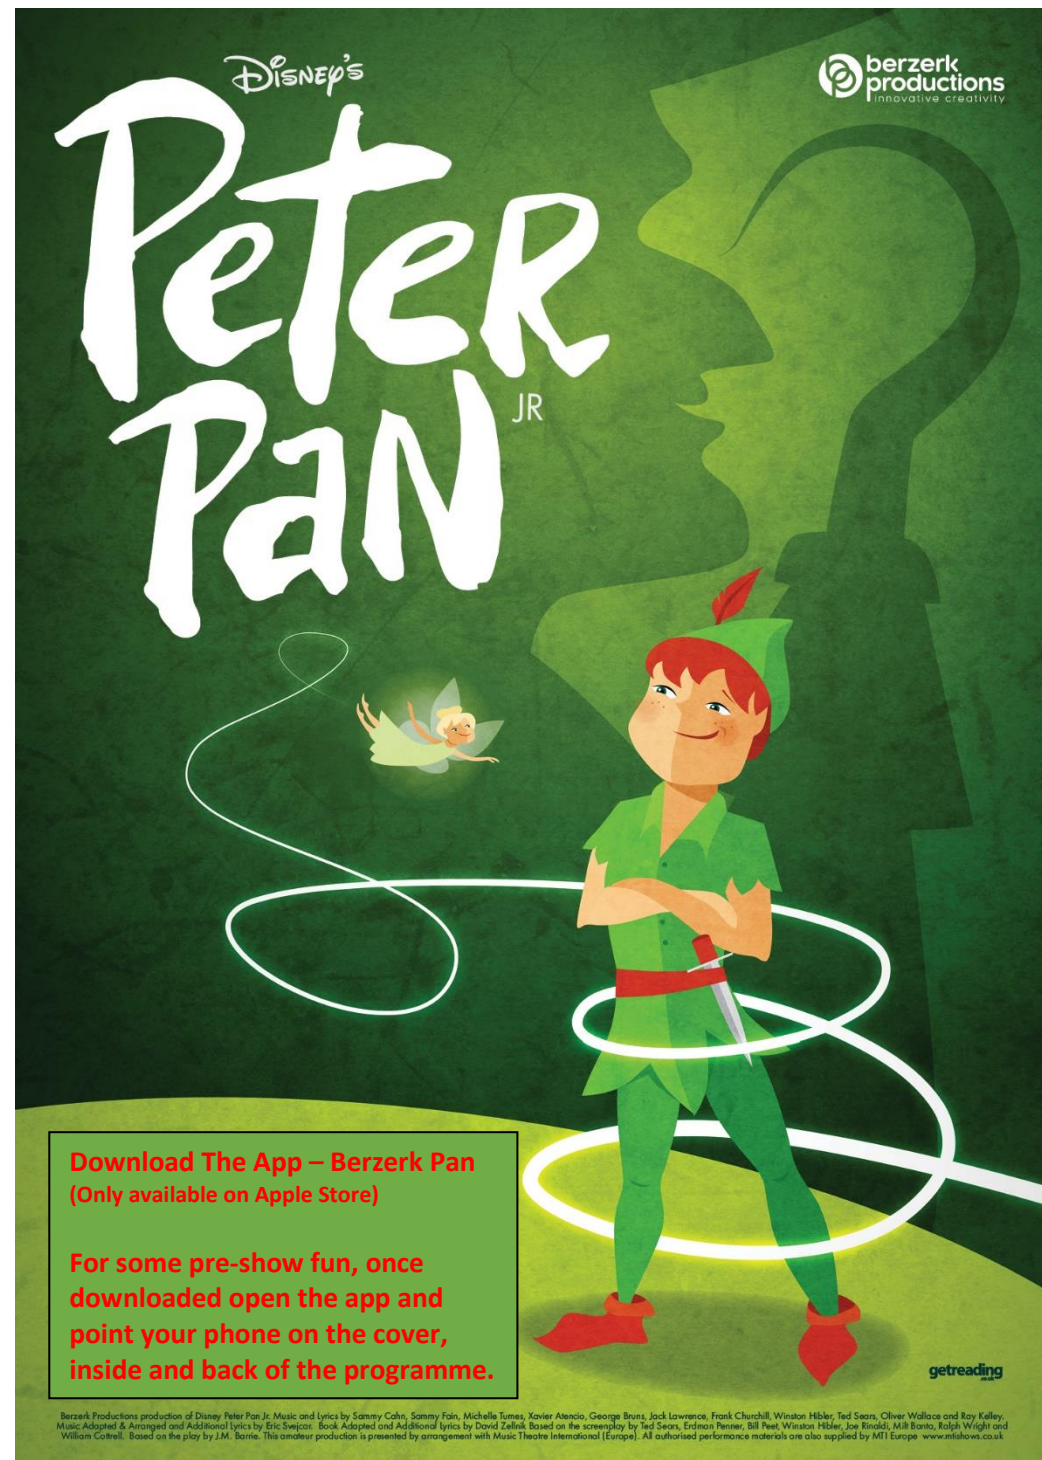

Disney's Peter Pan JR. is a magical story with countless opportunities with large ensemble numbers featuring cliques of classic characters.

Programme

This show has been made possible with the help of a great team of people, to whom we give many thanks.

Welcome to Berzerk Productions annual Christmas production.

Firstly, we would like to thank everyone for their continuous support. It has been an excellent year for Berzerk and your love and kindness has helped us continue our work with these young people.

Every year, we strive to make each Christmas production stronger and more creative. We enjoy watching each cast member grow through this rehearsal process and we have been amazed by how each student has taken the direction and really fulfilled their time on stage. We do hope they have enjoyed the sparkle, because I know we have. We hope you notice that magic too.

I have absolutely loved directing this show. Please sit back, enjoy, sing, cry and laugh as we take you on the Journey to Neverland and that of a young boy who never wanted to grow up... a bit like Matt Whitelock and I!

Finally, we would like to wish everyone the merriest of Christmases and Happiest of New Years!

Scott Jenkins & the production team of 'Peter Pan JR'

Please sit back and enjoy the performance- laugh, cry and clap whenever you feel the urge, not just when everyone else is! The plays runs for approximately 1 hour with no interval.
